

# Bridges of Peace celebrating

**September 21st, 2005**

## **International Day in Peace**

**Kiryat-Ono, ISRAEL**

**May Peace Prevail on Earth**  
**ישרה שלום עלי אדמות**

**Over than one thousand people included 800 eleven to twelve years old kids from 9 Israeli schools – Jewish secular & orthodox, Christian and Muslims came to celebrate the day together in the Memorial City Park.**

**Blessing by Mr. Y. Nishri,  
Kiryat Ono City Mayor**

**Blessing by Ms. O.  
Fruman, head supervisor,  
Ministry of Sport, Culture  
& Education**

**Offering Peace Pole to the City Mayor  
and the representative of the  
Bereaved Families Organization**

**195  
nations' flags, carried by  
the kids follow  
World Flag**

**Unity Circles made of  
all nations' flags  
around the Peace Pole  
and its Guard of Honor**

And then they start the show...  
These kids do not want to play together  
as they have different hats...

After realizing that outer appearance does  
not change shared essence, they play  
together, even plan the Peace Day  
ceremony, they have found mutual interest  
– Peace on Earth!

**Than other schools offered their own Peace Offerings**

Than Eyal activated his magic on the kids

With the  
Peace Drums Circle

**After the ceremony, the kids simply didn't want to go home, they just wanted to play together more and more...**

**Just before living home to tell their families and friends about the Day,  
They agreed to visit each other soon!  
They already know about the Peace that Start in the Heart!  
Everybody's Heart! Always!**

**How much I love them!  
they are my greatest teachers!**

**May Peace Prevail on Earth!**
