

問題5 次の文で筆者が最も言いたいのはどのようなことですか。日本語で 50 字程度にまとめなさい。

Today many people from foreign countries are visiting our country Japan. Most of them want to know a lot about the Japanese way of life during their stay in Japan. Maybe they want to eat Japanese food, to sleep on *futon*, or to wear *kimono*.

What should they do to learn more about our life? I think they should stay with us and be members of the family, not guests. This is a very good way to understand the Japanese way of life.
